RE : **FREQUENTLY ASKED QUESTION**  
**“ 6<sup>TH</sup> ANNUAL MARTIN LUTHER KING, JR. CHESS CLASSIC ON 1/27/07 ”**

**CAN A PLAYER CHOOSE TO PLAY IN AN HIGHER SECTION WITHIN HIS/HER GRADE LEVEL OR HIGHER GRADE OR SECTION THAN THEIR ACTUAL GRADE LEVEL?**

Yes! Any Player can play in a **Higher** section if they are seeking more competition. A player **cannot** play in a lower rated section and **cannot** play in a lower grade section than his/her grade section.

Thank you for the question.
